# Application

Please submit <u>CF78</u> (click PBX extension lines > Self-service portal) for using the self-service portal for managing the settings of the IP phones being used in departments.

# **User Guide**

- I. Login
- 1) Visit the URL <u>https://cm.uc.hku.hk/ucmuser</u> using a browser.

[Note: The above URL is accessible within HKU campus network only. If you are accessing this page outside the campus network, please connect to <u>HKUVPN</u> beforehand.]

2) Login using your HKU Portal UID and the predefined password assigned by your department upon submission of CF78 (or your assigned password if you have changed the predefined one).

Cisco Se	OUnified Communications Elf Care Portal	
	Username Password	
	Sign In	

3) After a successful login, you will see the following page listing the IP phone(s) and phone number(s) that can be managed under your account.

#### II. Update Personal Speed Dial on IP Phone

#### 1) Click 'Phone Settings' > 'Speed Dial Numbers'.

User Guide on Self-service Portal (for HKU IP Phones (Cisco))

My Phones	Phone Settings	Filter by: All Phones
Call Forwarding	Speed Dial Numbers	
	► Services	
	<ul> <li>Ring Settings</li> </ul>	
	<ul> <li>Voicemail Notification Settings</li> </ul>	
	Call History	
	Phone Contacts	

### 2) Select the **phone number** you wish to edit, click **'Add New Speed Dial'**.

My Phones	Phone Settings Filter by: All Phones	
Phone Settings		
Call Forwarding	<ul> <li>Speed Dial Numbers</li> <li>Speed dial lists may be different for your phones. To link your phones and make these settings the same, click this button.</li> <li>ITS LBO 70000</li> </ul>	
	Cisco 6921 - ITS OLB 78729  Add New Speed Dial	
	Dial Label Number	

#### 3) Enter the **phone number**, **label** and **Speed Dial Number**, then click **'Save'**.

- For non-IP phone lines (non-3917 xxxx/3910 2xxx/3910 3xxx), add "9" before the phone no.
- For IP phone lines (3917 xxxx/3910 2xxx/3910 3xxx), enter the last 5 digits (e.g. 3917 0011 > enter 70011)
- A total of 199 Speed Dial numbers (1-199) can be saved.
