

How to Use Student Lockers

First Time Installation

1. Install **uLock@hku** app.

2. Install **uPay@hku** app.

Operation Procedures

Check-in

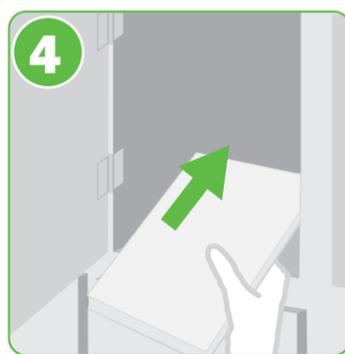

1. Tap "Press to Start" on the cabinet console.

2. Open the **uLock@HKU** app.

3. Tap "**SCAN**". Scan the QR code displayed at the console.

4. Put your belongings inside the assigned locker.

5. Close the door. The app will show "**Door closed. Thank you.**" Otherwise, check if the door is properly closed.

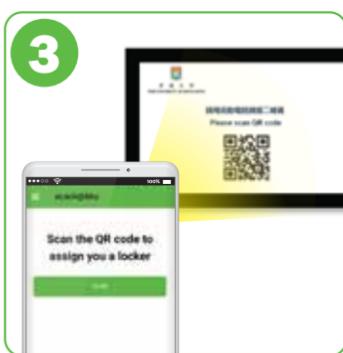

Check-out and Pay

1. Tap "Press to Start" on the cabinet console.

2. Open the **uLock@HKU** app.

3. Tap "**SCAN**". Scan the QR code displayed at the console.

4. Select the preferred payment method and follow the instructions to pay.

5. After successful payment, tap "**OK**".

6. The door will be opened and please take away **ALL** your belongings.

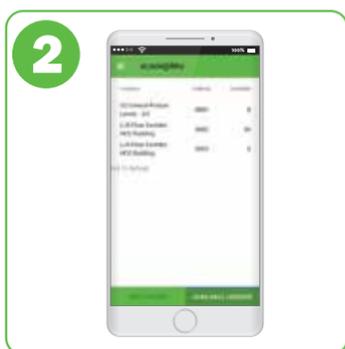

7. Close the door before leaving.

Check Locker Availability

1. Open the **uLock@HKU** app.

2. Tap "**Available Lockers**" at the right bottom.
